```
graph TD; S1[Slide] --> P[Presentation]; S2[Slide] --> P; S3[Slide] --> P; S4[Slide] --> P; S5[Slide] --> P; S6[Slide] --> P;
```

A diagram illustrating the relationship between slides and a presentation. Six boxes labeled 'Slide' are arranged around a central box labeled 'Presentation'. Arrows point from each 'Slide' box to the 'Presentation' box. A hand is shown holding a pen, pointing at the diagram.
